

PNLA BOARD REPORTS

OFFICER TITLE/COMMITTEE CHAIR: Idaho Representative to PNLA

Reported By: Jeannie Standal

Date: November 12, 2016

Progress/Successes Since Last Meeting:

Hosted a PNLA table at the Idaho Library Association Annual Conference in Idaho Falls on October 6 & 7. Made some display materials, including bookmarks promoting YRCA for the materials. Gave away most of the SWAG that was reserved from last year's table.

Invited Jenny to the ILA Conference, but she was unable to attend. Rick S., president-elect, agreed to speak at the general membership meeting of ILA on behalf of PNLA.

Have corresponded with Gwendolyn about arrangements for the 2017 Conference in Post Falls. Was unable to attend the first meeting due to technical problems with Skype.

Reported on progress on the conference and the dates at the ILA Board Meeting at the Annual Conference. The ILA Board is excited to have the conference in Idaho!

New Issues:

ILA has discontinued its publication of The Idaho Librarian, and so PNLA quarterly may become the go-to publication for those Idaho librarians looking to be published in that type of journal. I mentioned the PNLA Quarterly option in the ILA Board meeting, and the idea was well received. That news was sent out on LibIdaho along with the notification of the discontinuation of The Idaho Librarian.

Board Action Requested: None

Other Comments: None.
