

PNLA BOARD REPORTS

OFFICER TITLE/COMMITTEE CHAIR: First VP / President Elect

Reported By: Rick Stoddart

Date: November 12, 2016

Progress/Successes Since Last Meeting:

Met in Spokane with Gwendolyn Hailey and Crystal Miller to discuss PNLA

Co-hosted with Jeannie a PNLA table at the Idaho Library Association Annual Conference in Idaho Falls on October 6 & 7. Made some display materials, including bookmarks promoting YRCA for the materials. Gave away most of the SWAG that was reserved from last year's table.

Greeted ILA attendees during general membership meeting.

Informally contacted colleagues at Tacoma Community College to scout possible locations/spaces to host future PNLA conference.

Familiarizing myself with PNLA Manual of Operations and Procedures.

New Issues:

Wondering about creating a PNLA interest sign-up sheet (or if one already exists) to be used when attending regional meetings. It was nice to give away swag but it would be better to get contact information to sign people up for PNLA memberships.

Board Action Requested: None

Other Comments:

I have institutional access to <https://zoom.us/> through my university and I have a PRO account to host/record online meetings. Just in case we want to use this tool.
