

PNLA BOARD REPORTS

OFFICER TITLE/COMMITTEE: YRCA

Reported By: Jocie Wilson Date: November 12, 2016

Progress/Successes Since Last Meeting:

- Started the nomination process, extended the deadline until November 25, but I've received over 150 nominations in the month of October.
- Hosted a brief meeting with B.C. Rep Noreen Mah about plans for the fall. We weren't able to find a date with everyone else available so I am trying to put together another meeting for later November to discuss shortlisting.
- Gathering together newsletter and list serv information for promotion.
- Starting the process of getting new reps for Alaska and Washington. I'm talking with Breanna and Sarah (WLA and AKLA reps) about nominating and finding new reps for these States. I hope to have these spots filled by the Dumas Bay meeting.
